Transmittal Letter No. 44

Kim Christiansen, Executive Director
Kansas Corporation Commission
1500 S.W. Arrowhead Road
Topeka, KS 66604-4027

Dear Ms. Christiansen,

Magellan Pipeline Company, L.P. ("MPL") is filing with the Kansas Corporation Commission, the tariff **K.C.C. No. 47** issued May 24, 2023 with a requested effective date of July 1, 2023, in order to coincide with concurrent tariffs to be filed with the Federal Energy Regulatory Commission and various other state commissions. Below is a summary of all proposed changes pursuant to filing requirements in K.A.R. 80-10-2.

K.C.C. No. 47 contains local and volume incentive rates that have been increased by the F.E.R.C. Annual Index of 13.3194%. All volume incentive rates are below the corresponding base rates. All proposed rate changes are the same percentage changes that MPL will issue in the associated F.E.R.C. Nos. 160 and 170. Rates in Item 80, Withdrawals from Carrier's Terminal Facilities, Item 140, Filtration and Special Testing Services, Item 145, Special Handling Services and Item 147, High RVP Unleaded Gasoline have been increased by the F.E.R.C. Annual Index of 13.3194%. These fees will be changed by the same amount in MPL's Central Rules and Regulations tariff, F.E.R.C. No. 157, and are at the maximum approved level.

All rates in Item 200 have been increased by the F.E.R.C. Annual Index of 13.3194%.

Volume Incentive programs, Item Nos. 250, 265 and 290 contain wording changes to reflect the current associated F.E.R.C. and O.C.C. (if applicable) tariff numbers. All Incentive Rates in Items 251, 266, 291 and 292 have been increased by the F.E.R.C. Annual Index of 13.3194%.

The rate increases proposed in this filing would represent an increase in revenue of approximately \$5.3 million based on 2022 annual Kansas intrastate movements. MPL has attached a copy of a system diagram map as required by K.A.R. 82-10-2(E). The MPL FERC Form 6 Annual 2022 Report is on file with the Commission.

MPL hereby respectfully requests that any protests, complaints, suspensions, motions, or orders which in any way affect this publication, be transmitted via facsimile concurrent with their filing/issuance to Jake Nolte at (918) 574-7039, confirmed at the telephone number shown below.

MPL has served notification of the tariff issuance on or before the issuance date to all shippers that MPL serves in Kansas who have asked to be on the tariff subscription list. Additionally, MPL will make all tariff documents available on our web site at: <http://www.magellanlp.com/WhatWeDo/LiquidPipelineTariffs.aspx>.

This filing has been submitted electronically. If you need any additional information, or if we can be of any further assistance, please call me at (918) 574-7176.

Respectfully,

Re: K.C.C. No. 47

On May 24, 2023, Magellan Pipeline Company, L.P. ("MPL") filed an application with the Kansas Corporation Commission requesting authorization for a tariff revision including the following changes:

K.C.C. No. 47 contains local and volume incentive rates that have been increased by the F.E.R.C. Annual Index of 13.3194%. All volume incentive rates have been increased to correspond to the base rate increases, and all volume incentive rates remain below corresponding base rates. The proposed rate changes are the same percentage changes that MPL will issue in the associated F.E.R.C. tariffs.

Rates in Item 80, Withdrawals from Carrier's Terminal Facilities, Item 140, Filtration and Special Testing Services, Item 145, Special Handling Services and Item 147, High RVP Unleaded Gasoline have been increased by the F.E.R.C. Annual Index of 13.3194%. These fees will be changed by the same amount in MPL's Central Rules and Regulations tariff, F.E.R.C. No. 157, and are at the maximum approved level.

All rates in Item 200 have been increased by the F.E.R.C. Annual Index of 13.3194%.

Volume Incentive programs, Item Nos. 250, 265 and 290 contain wording changes to reflect the current associated F.E.R.C. and O.C.C. (if applicable) tariff numbers. All Incentive Rates in Items 251, 266, 291 and 292 have been increased by the F.E.R.C. Annual Index of 13.3194%.

The application may be acted upon within thirty days of the filing. If you would like to protest this filing, you should do so within the thirty-day period. You may file a protest in one of three manners:

- You may intervene in the docket by having an attorney submit a petition for intervention in accordance with K.A.R. 82-1-225 and filing a written protest; or
- You may send an informal protest to the Commission without intervention by mailing it to the attention of Leo Haynes, Chief of Pipeline Safety, Kansas Corporation Commission, 1500 SW Arrowhead Dr. Topeka, KS 66604; or
- You may telephone Leo Haynos, Chief of Pipeline Safety at 785-271-3278.

If you have any question about this tariff filing, you may contact Jake Nolte at Magellan at 918-574-7176 or call Leo Haynos at the Commission at the telephone number listed above.
