Dear Ms. Schulz:

We are sending to you the following refined products tariff to be effective January 14, 2016, by Tina R. Granger, Manager Business Analysis & Tariffs of Magellan Pipeline Company, L.P. ("MPL"):

R.C.T. No. 54.6.0, canceling R.C.T. No. 54.5.0

**R.C.T. No. 54.6.0** is a joint tariff and has increased rates from Port Arthur, TX to El Paso-MPL, Frost, Odessa, West Ft Worth and Tye (Abilene) by 1.0 cents per barrel. These increases synchronize with the Explorer Pipeline's general tariff increase filed December 1, 2015, to be effective January 1, 2016 (Explorer's FERC filing Docket IS16-106-000).

MPL has served notification of the tariff issuance on or before the issuance date to all shippers that MPL serves in Texas who have asked to be on the tariff subscription list.

Please "receipt stamp" the duplicate copies of the tariffs and this transmittal and return in the enclosed stamped, self-addressed envelope at your earliest convenience.

If you need any additional information, or if we can be of any further assistance, please call me at (918) 574-7415.

Respectfully,

A handwritten signature in black ink, appearing to read "Tina R. Granger", written in a cursive style.
